

# DAW 470 WALK IN

## INSULATED DUCT DOOR

FULL LENGTH CONTINUOUS PIANO HINGE

2 EXTERIOR LATCHES

### PRODUCT DETAILS

#### CONSTRUCTION

**Door:** 20 ga. galvanized steel, double wall.

**Trim:** 16 ga. galvanized steel.

**Finish:** Mill finish. Latches: 2 exterior latches with interior handles.

**Installation:** 1" thick 3lb. density insulation.

Can be installed in walls or ceilings.

#### DURABILITY

Door is approved for both wall and ceiling use and is also available in stainless steel for use in damp locations. This walk in duct access door and access panel is perfect to allow access to duct work interior and air handling units. This walk in duct access panel features insulation, gasket, and galvanized finish. With easy to reach L handles, the insulated duct access panel is perfect for any situation where an access panel is required for HVAC purposes.
