

RGB AL 4014 TILE

TOUCH LATCH FOR WALLS & CEILINGS

PRODUCT DETAILS

CONSTRUCTION

Door and Frame: Lightweight welded aluminum. Fully detachable hatch/ door.

Finish: Recessed 5/8" or 1/2" for tile.

Latches: Heavy duty concealed touch latches.

Hinges: Concealed hinge.

Easy assembly, solid aluminium frame, flush installation.

Can be installed in the ceiling or wall.

DURABILITY

The Linhdor RGB AL 4014 is a recessed access door with touch latches. This recessed access panel for tile applications is perfect for environments where there will be a tile finish such as hospitals, bathrooms, locker rooms, or hotels. With a touch latch mechanism, this door avoids the use of any visible latches, therefore, the tile sits flush inside the access doors recess. This recessed touch latch access door/panel is available with 5/8" or 1/2" recess depending the depth of the tile used.
